

## **2 Timothy** **Inductive Overview**

This overview *is meant* to be a “simple” companion to the Beloved Truth Int’l Podcast in 2 Timothy. ***It is not*** an extensive Inductive Bible Study. This is a “simple” taste of how you can begin to OBSERVE the text of Scripture. Our desire at Beloved Truth Int’l is to “simplify” Inductive Bible Study for you. We know from experience, when you sample the life-changing truths of God’s Word through Observation, Interpretation and Application, the Lord will meet you where you are and take you into a deeper relationship with Himself.

You can go much deeper with us in a LIVE Online Bible Study or FREE Webinars with our trained Online Bible Study Leaders at our website [belovedtruth.com](http://belovedtruth.com). ### **SIMPLE INSTRUCTIONS**

**Are you seeing a repeated word? Simple? This will make more sense as you learn to study the Bible Inductively!**

**This is a self-paced study, so take your time and do it at your leisure.**

1-Read the entire book of 2 Timothy in one sitting. Then, at your own pace, read the entire book three more times

2-We start by looking at the people in the book, marking and making a list of facts - straight out of the text - about the author, recipient and other people. If you make your list using words from the text, you will begin to see the key repeated words

-Read 2 Timothy again, this time marking every reference to the author (and synonyms) with a BLUE CIRCLE

-Read 2 Timothy again, this time marking every reference to the recipients (and synonyms) with a RED RECTANGLE

-Read 2 Timothy again, this time marking every reference to other people mentioned by HIGHLIGHTING THEM ORANGE

3-Using a notebook, make three columns with the headings AUTHOR, RECIPIENT AND OTHERS

4-Using words directly from the text, go through each chapter and make lists of all the obvious things you see about the people you marked (site your chapter and verses)

5-Read 2 Timothy again and mark every reference to the gospel (and synonyms) with a purple cloud and make a list on a sheet of paper of the obvious things you see (site your chapter and verses)

THAT'S IT! We won't go any deeper for this teaching Podcast. I will be sharing the "why's" of what you are doing as we progress verse-by-verse through this awesome book about discipleship!

Remember! Pace yourself and that this is a mere taste of the truths in God's Word you will learn through Inductive Bible Study.
